PING PONG TOURNAMENT IS GREAT SUCCESS !

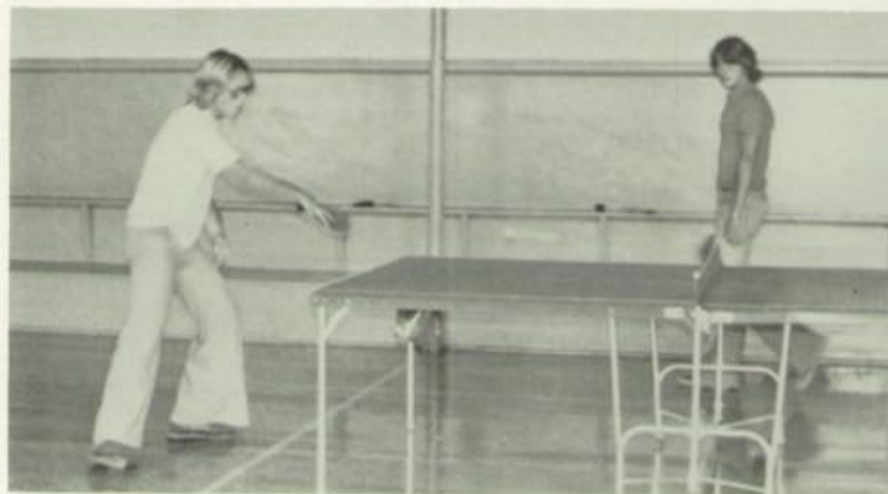

This year the seniors had a ping pong tournament that was a first for this school.

The tournament, which lasted for two weeks was not a disappointment, supplying us with many hours of entertainment. Pre tournament favorite Ricky Moham, did not disappoint us either as he easily swept through the field.

Following Moham in second place was Gene Gipson, with Garry Eller third, & Curtis Howard fourth.

Gene Gipson warns Garry Eller that the next point could win it for Ricky Moham, Moham won the next point, and went on to win the tournament.

Gene Gipson prepares to smash one against an unknown opponent. Gipson went on to snare second place.

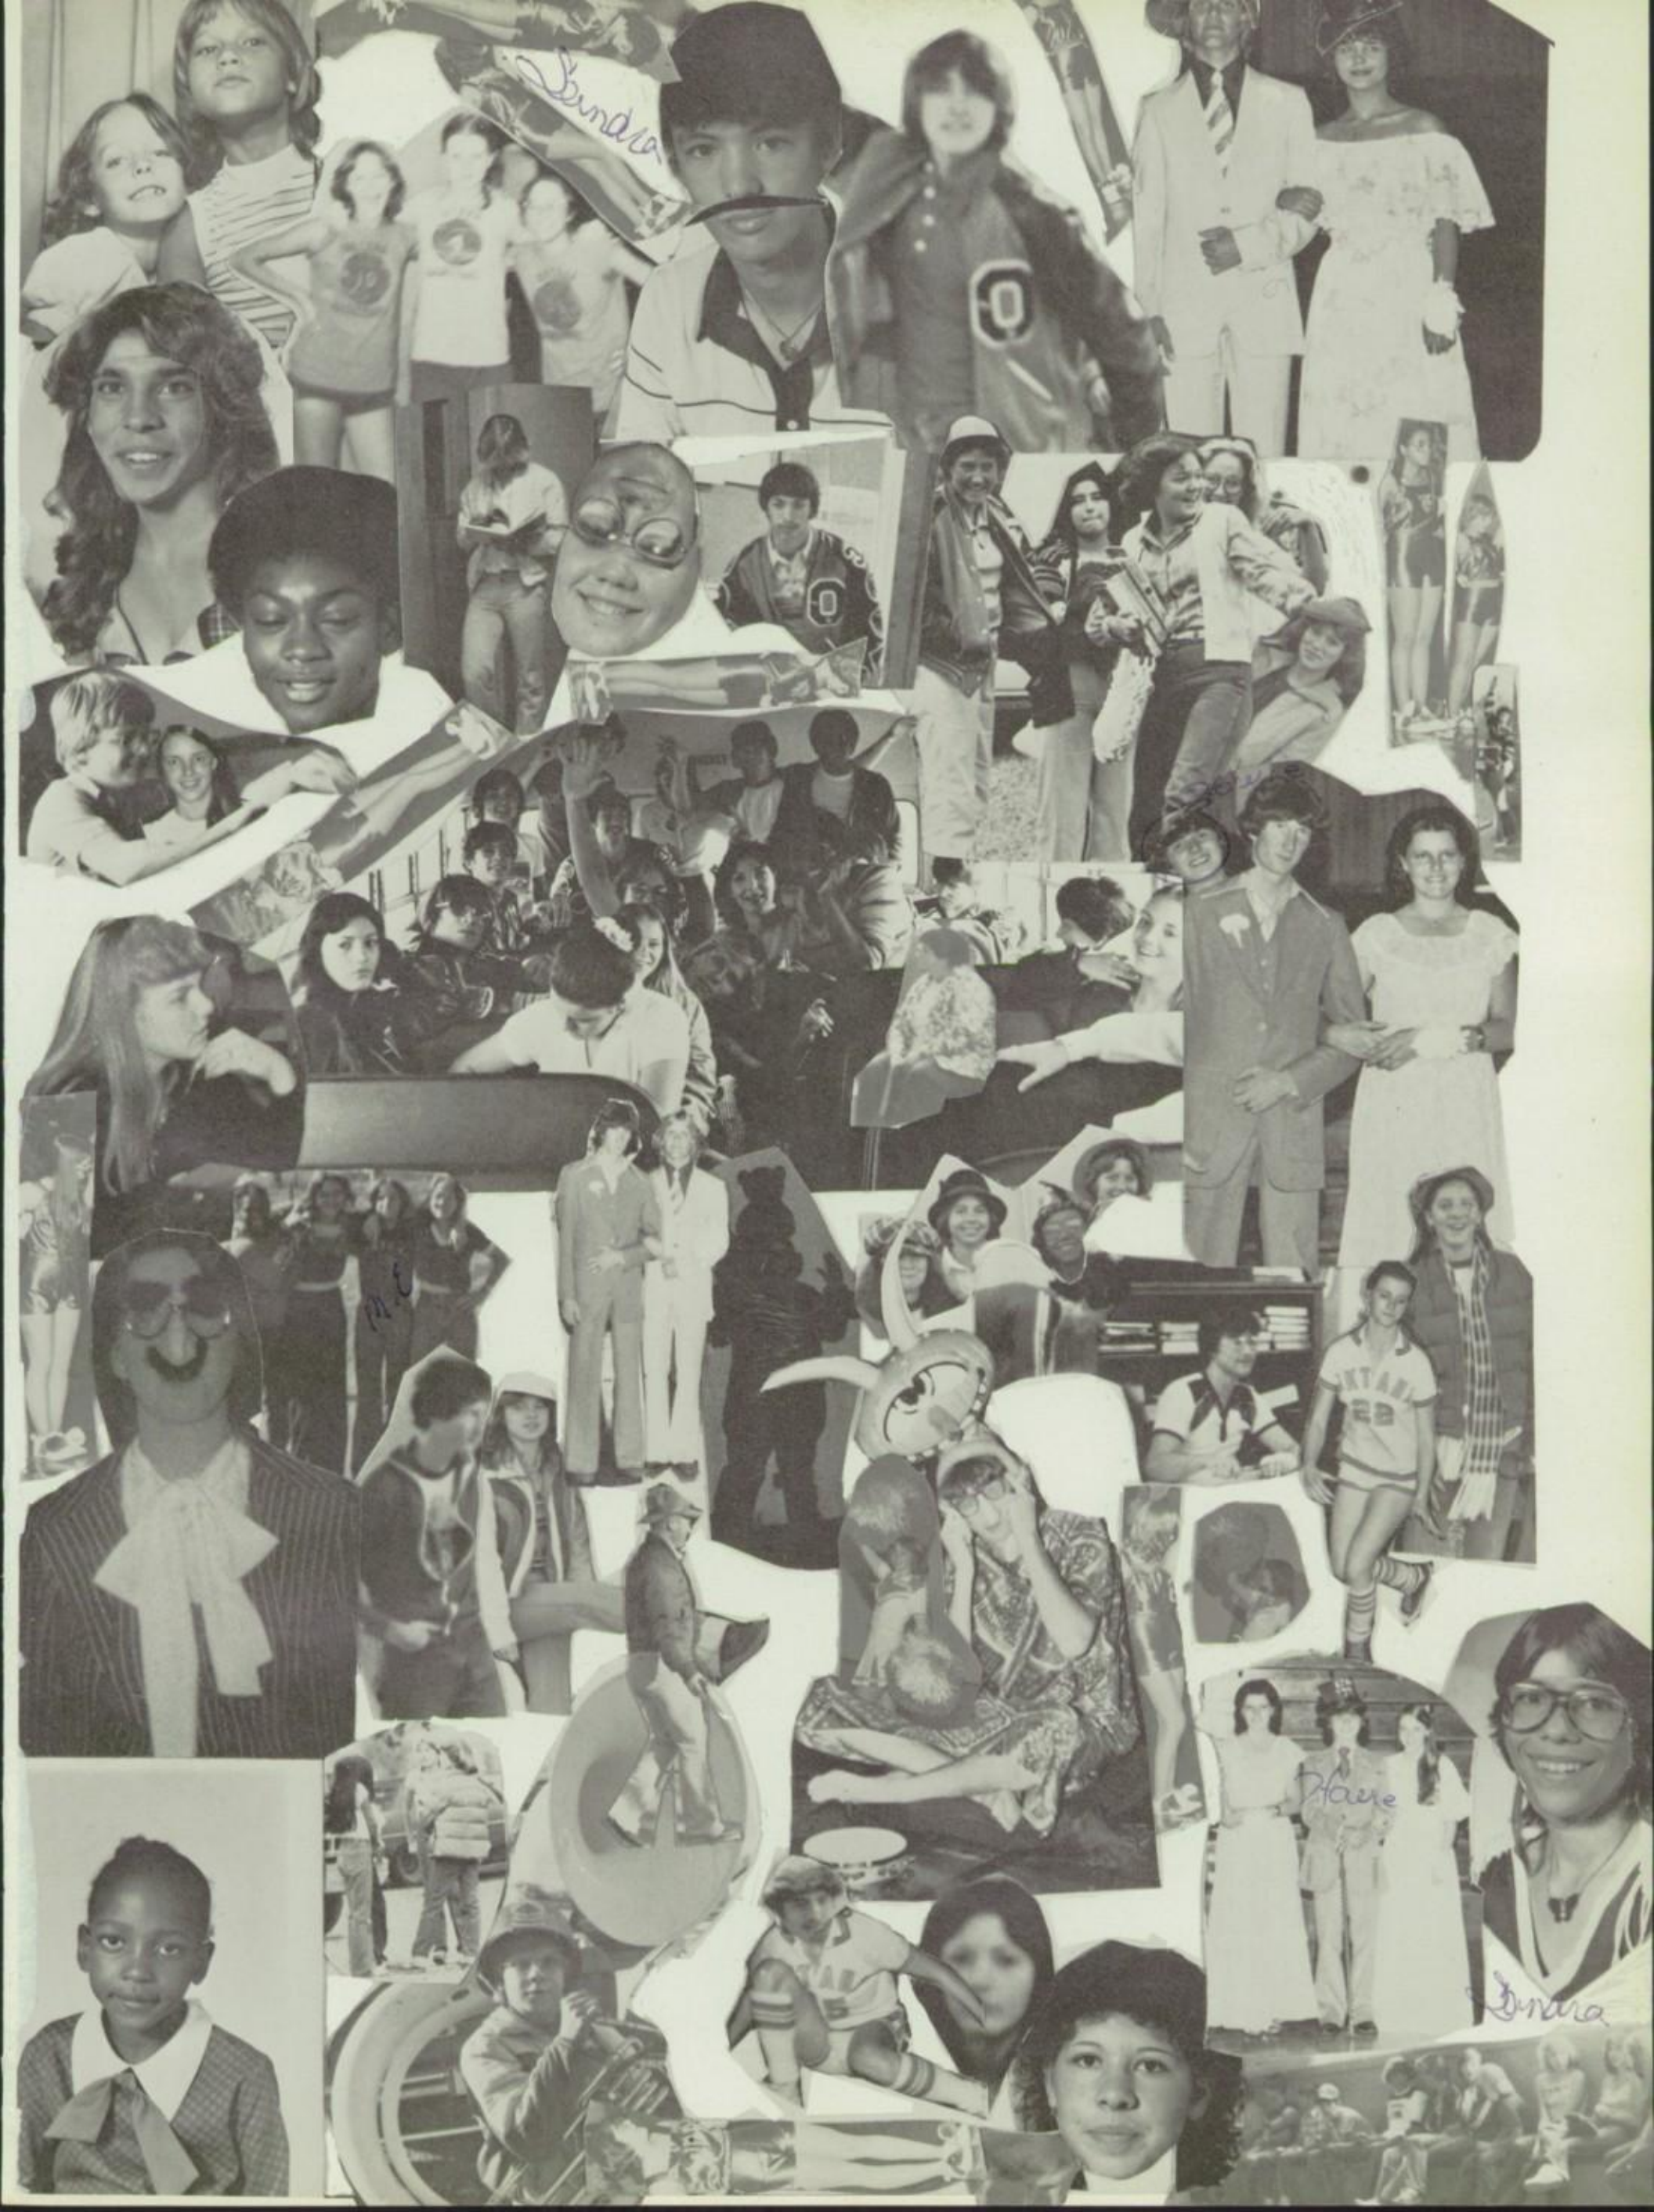

Garry Eller showed poise and style as he smashed his way to a third place finish and trophy.

THE CHAMPION.

Dedication

We the Senior Class of 1979-80 proudly dedicate this annual to Mrs. Sam Brassfield, our senior sponsor and true friend. We would just like to say that Mrs. Brassfield's friendship and love toward us has mended many broken hearts and has given many of us the incentive to go on when quitting would have been much easier.

Mrs. Brassfield's friendship to us is like a golden chain, it links her friendship to us so dear. Like a rare and precious jewel it has been treasured more and more each year. It has clasped together this small family of ours with love and trust that is very true. It is rich with happy memories and fond recollections. Time cannot destroy this beauty as long as our memories live, because the years cannot erase the pleasures that the joy of our friendship brings. For this friendship is a priceless gift that cannot be bought or sold. To have an understanding friend like Mrs. Brassfield is worth far more than gold. Each of us can look back as the years roll on and be grateful for Mrs. Brassfield, a true and loving friend.

Sincerely,

Becky Dill, Editor

In Memoriam

A short time back we lost one of our beloved freshman in a fatal accident. His departure was felt greatly by his many friends throughout the school. Therefore, in remembrance of Stephen Johnson we edit this sports section of our annual.

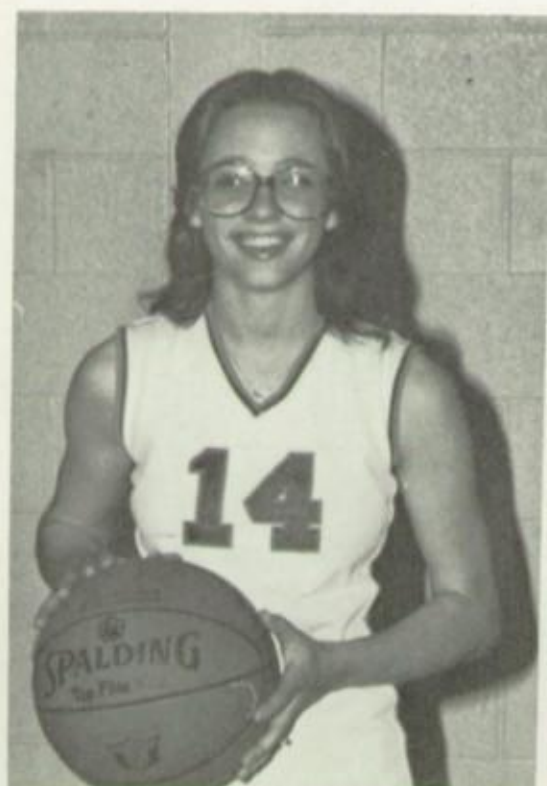

As a pebble hits the water its influence visably spans out into a never ending circle. So, too, did Stephen affect the lives of those who knew and loved him. As the outermost ring expands and fades into eternity, so will the memories of him quietly influence our lives with love and joy, tears and sorrow he left behind.

Dean,

To the sweetest guy in the world. I love you so very much. I know that know one could get any better. You are as good as they come. I hope I will get to spend the rest of my life with you. Cause that's all I really want. Even if you are poor. So what! I love you and not your money. You are the only one I could ever love! I promise. I give you all thanks to you for making me the most happiest girl in the world. Good! I love you so very very much. I really can't believe that I'm so lucky to have ^{some} one like you to love me. I just hope I stay lucky! Cause I would die if you ever leave me or if something ever happen to you. But you told me that you would never leave me, so I believe you will not. I just hope I will keep you happy. I really do love you and I just keeps growing and growing every day. I hope your future is better than the past. I will try to make it better lots better! I hope that you will get what you want in the future. All I can say is that I love you very much and I will be there when ever you need me. Remember I love you with all my heart, always and forever, I Promise!

Happiness is...
